Course Overview

Our Junior Programme is an action-packed learning adventure for young learners, giving them the best chance to learn and have fun during their time in London.

Our courses are the perfect mix of English lessons with fun activities and cultural trips to create an exciting and unforgettable summer, experiencing London life.

Each week promises a different look into topics that will encourage curiosity, inspire creativity, and boost learning in an interesting way. Let's look at what we are offering this year:

Course Overview

■ Week 1 - London Adventures

Kick off your London journey by exploring the city's most famous sights! Discover the history, stories, and amazing architecture behind landmarks like Big Ben and the Tower Bridge. Plus, you'll get a taste of local shopping and practise bargaining for unique souvenirs!

■ Week 2 - Going Places

Get to know London as locals do! Explore how people travel, where they live, and the parks and public spaces they enjoy. From famous sights to hidden treasures, we'll dive into what makes London such an exciting city to live in and visit.

■ Week 3 - Express Yourself

Unleash your creativity as we dive into London's arts scene! This week is all about music, fashion, film, and acting. Show off your unique style and talents as we explore different ways people express themselves in this colourful city.

■ Week 4 - The World of Sciences

Explore the science behind London's natural wonders! We'll study the plants and animals that live here, and learn how the human body works. You'll learn about living sustainably to help create a greener future.

■ Week 5 - Legends of London

Step back in time and meet the incredible people who shaped London! From famous leaders to everyday heroes, learn about the legends who left their mark on the city and the world.

■ Week 6 - Future Explorers

Get ready to think big and plan for a better future! This week is all about creativity and problem-solving as we explore the latest tech trends, media, and systems shaping our world. You'll work on your own ideas to solve challenges and imagine a brighter future for all.

General English Course (Morning Sessions)

The course is especially tailored to suit the needs and interests of teenagers with a focus on creativity, fun and collaboration. Whether they are interested in science, technology, business, sports, music or art, our students can enjoy a topic-based syllabus through engaging in project-based activities that emphasise communication and core skills (Speaking, Writing, Reading and Listening) while expanding their vocabulary and grammar knowledge.

The programme has been developed to allow students to use their English language skills, imagination and creativity in project work, class discussions and fun activities.

Programme details:

Kingston - Discover Kingston, where seven Saxon kings were crowned. Start with a scenic walk through Bushy Park, famous for its wildlife and views of King Henry VIII's palace grounds. Then, enjoy lunch and free time at the historical Kingston market with options like museums, shopping, and riverside walks.

Brighton - Explore Brighton, once a royal seaside retreat. After a guided tour of its historic buildings, enjoy free time in the vibrant Lanes, play games on Palace Pier, or capture the unique coastal views and street art.

Greenwich - Sail to Greenwich, birthplace of iconic royals like Henry VIII. Take a guided walk through the Queen's House, admire the Great Hall, and browse the market for snacks and souvenirs. Enjoy free-time options with views of the University of Greenwich and East London.

Oxford - Step into the history of Oxford, home to the oldest English-speaking university. See iconic university sites and stroll the peaceful meadows. Back in the city centre, enjoy free time for lunch, museums, galleries, or shopping.

Windsor - Visit Windsor, home to the famous castle. Enjoy a historical walking tour, a riverside stroll, and free time for shopping in the quaint town centre or exploring the Long Walk. (Note: Castle entry is not included.)

Cambridge - Explore Cambridge, home to legendary scientists and scholars. Visit university landmarks, learn about famous alumni like Newton and Darwin, and enjoy riverside views. Free time includes museums, galleries, and shopping.

Social Programme: Workshops

This year, we have 4 different workshops to choose from. Students can join any workshop as long as they confirm their space when making the booking.

We have a varied selection of exciting workshop options available. Every Wednesday and Thursday, they can choose from:

Football English (Wednesday)

Football English is designed for students who love football and would like to learn more about the game in an English-speaking environment.

After a one-hour lesson, students will take part in a football-related activity, which may be playing a supervised football match, or attending a stadium tour of a London-based professional football club.

Please note: If there are more than 10 students for the week, we will arrange a football game for students. However, if the number is below 10, we will organise a stadium tour.

Minimum student number: 4

Junior Business Skills (Thursday)

Our Junior Business Skills programme, built specifically for teenagers, brings together the skills needed to succeed in the world of work and develop day-to-day communication skills. In the workshop they will learn about:

- The working world
- CV and resume writing
- Cover letters
- Job interviews
- Networking skills
- Using technology and social media safely
- Speaking with confidence
- Working with technology and AI

Social Programme: Workshops

For the following workshops, students will have to join for the whole week:

Drama Workshop (between 14th July and 25th July)

Drama is particularly valuable for presentation skills and expression in English encourages teamwork and cooperation. Our drama workshops are led by an experienced theatre director.

At the end of each week, there will be a performance, giving a chance for students to show what they have learnt to their peers. In the workshop, they will also:

- Practise pronunciation
- Improve self-confidence as well as communication and presentation skills
- Prepare to deliver a performance at the end of the week

STEM (Science, Technology, Engineer, and Maths) (between 4th August and 29th August)

Our STEM courses give your children the opportunity to learn crucial STEM knowledge and develop the skills needed in secondary education, all while having fun in an inclusive and interactive classroom environment. Students will:

- Speak about and share ideas on Science, Technology, Engineering and Maths (STEM)
- Practise mathematical skills and logic reasoning
- Enquire scientifically, developing their skills in questioning and critical thinking
- Experiment safely to prove or disprove their hypotheses
- Put their knowledge and skills to the test by creating and building within the context of what they've learnt.

Under 18s Students Welfare and Safeguarding

At West London English School, we take our students' welfare and safety very seriously. We have a Safeguarding team who update and enforce our **Safeguarding Policy**. Please email welfare@wles.net if you would like to read this policy in full. All our staff are recruited with Safeguarding procedures in place, and receive regular training on how best to protect children.

All students on our Junior Programme are supervised by **at least one adult member of staff** throughout their stay with us, including during lessons, breaks*, afternoon activities*, and if under the age of 16, whenever they are in our homestay accommodation.

**Exceptions may apply if parents/guardians give permission for their children to be unsupervised during breaks or parts of the afternoon activities.*

Please read our Junior Parental Consent Form for more information.

We ensure students welfare through the following:

- All WLES staff complete safeguarding training regularly
- Our Welfare Team are all trained in mental health first aid
- We offer Thursday well-being drop-in sessions where students can speak to a trained member of staff about their concerns
- We follow British Values
- All staff wear blue lanyards and have ID cards
- Students are supervised by at least one adult
- Students must follow code of conduct and terms and conditions
