At West London English School, we prioritise the safeguarding of our students, both inside and outside of the classroom, and we take pride in our caring and supportive environment. The student is at the heart of everything we do and we want our students to feel listened to and treated as individuals. We have appropriate and efficient welfare systems and it is our first priority to ensure our students and group leaders are safe, happy and comfortable.

On the social programme, our staff ratio is on average 1:8, with our maximum being 1:10. In the classroom, the average is 1:12 with the maximum being 1:16.

Our staff are well-qualified and experienced, and have all been trained in child protection and safeguarding with police suitability checks in place as a condition of their employment.

There is on-site supervision for all students from 8.30am-7.30pm. Outside of these hours, all students have access to the 24-hour emergency contact number. We have first-aid trained staff on site between 8.30am-7.30pm as well. We also provide details of local doctors’ surgeries and the local hospital if more specialist medical attention is required.

From the moment a student arrives, there is always a member of staff they can talk to and a clear point of contact for all welfare issues. As part of their course, usually on the first day, all students under 18 receive a briefing on staying safe whilst at WLES. Under-18 students also have weekly meetings with the Welfare Officer, or their group leader if arriving with a group, to ensure any issues are solved as quickly and efficiently as possible.

We strongly recommend that you take out travel insurance at the time of booking your trip as cover will begin for pre-departure cancellation from the date accepted for cover. This will, therefore, provide cover if the trip has to be cancelled for an insured reason such as illness or serious accident preventing travel.
